

Interaction of Quantized Light with Ultracold Bosons

Wojciech Kozłowski

Department of Physics
University of Oxford

This dissertation is submitted for the degree of
Doctor of Philosophy

Draft - v1.0

Monday 21st March, 2016 – 15:56

Wojtek: Write my own dedication.

Draft - v1.0

Monday 21st March, 2016 – 15:56

Declaration

Wojtek: Do I need this? Is there an Oxford University version?

I hereby declare that except where specific reference is made to the work of others, the contents of this dissertation are original and have not been submitted in whole or in part for consideration for any other degree or qualification in this, or any other university. This dissertation is my own work and contains nothing which is the outcome of work done in collaboration with others, except as specified in the text and Acknowledgements. This dissertation contains fewer than 65,000 words including appendices, bibliography, footnotes, tables and equations and has fewer than 150 figures.
